### PROFESSIONAL SUMMARY

Results-driven Full Stack Developer with expertise in developing scalable web applications for IoT products at CWD Limited. Proficient in designing and implementing dynamic dashboards, optimizing performance, and integrating seamless APIs. Adept at problem-solving, writing clean code, and delivering user-centric solutions.

### PROFESSIONAL EXPERIENCE

#### Web Developer | Jun 13 - Present

CWD Limited, Ghansoli 📍

Redeveloped CWD Limited's website using the latest tech stack to enhance performance and user experience. Created a responsive dashboard with dynamic graphs, and integrated a customizable sidebar and navbar. Developed account management pages, multi-step forms, and seamless API integration. Designed an interactive tree view for efficient group and device management. Optimized routes, implemented reusable components, and custom error pages for smoother navigation.
